5

A 3D pie chart illustrating the distribution of 100% across five categories. The chart is divided into five segments, each labeled with its percentage value. The segments are arranged in a circular pattern, with the 7.06% segment positioned at the bottom left. The other segments are labeled 5%, 5%, 5%, and 5% in a clockwise direction starting from the top right.

Category	Percentage
Category 1	5%
Category 2	5%
Category 3	5%
Category 4	7.06%
Category 5	5%
