The net proceeds from the offering of GDRs by the Group are intended to be used to (i) strengthen the research and development, manufacturing and sales of the Company's lithium-ion battery material and polariser businesses and (ii) repay indebtedness, supplement working capital and for general corporate purposes.

GDRs subscribed for by investors in the Offering may not be redeemed within 120 days following the First Day of Trading.

Huatai Financial Holdings (Hong Kong) Limited and Guotai Junan Securities (Hong Kong) Limited are acting as Joint Global Co-ordinators and Joint Bookrunners, and CLSA Limited and Haitong International Securities Company Limited are acting as Joint Bookrunners.

The Company is a global leading advanced material manufacturer, dedicated to the design, development, manufacturing and sales of lithium-ion battery materials and polarisers. With a dual focus on the innovation of lithium-ion anode materials and polarisers, the Company is committed to bringing a greener and smarter living environment.

Originally established as an apparel company in 1992, the Company tapped into the lithium-ion battery material industry as it commenced its anode material business in 1999 and subsequently expanded to cathode material and electrolyte businesses. According to China Insights Industry Consultancy Limited ("CIC"), with over two decades of development, the Company was the second largest global anode material supplier with a global market share of 11.2% and the largest global synthetic graphite supplier with a global market share of 14.4% in terms of shipment volume in 2021. With the acquisition of LCD polariser business from LG Chem Ltd. in 2021, the Company was also the largest global polarizer supplier in terms of large-size polariser shipment volume in 2021, with a market share of 25.1% among global polariser manufacturers, according to CIC. The Company plays an important role in the lithium-ion battery material and polariser value chains and has effectively captured the growth of the global anode material and polariser markets through its expansion plans that are in line with the market demand.
